

CIVICS.com Project Site: CivicID.Info / civicid.civics.com
June 23, 2012

1. Purpose: To create a managed site to provide information about and facilitation of the project(s):

* OpenID Connect on a OneCard for Example Basis of Two-Step Civic ID System

* Applicable for CIVICS.com management or participation in

a) City of Boston OneCard “special projects” with New Urban Mechanics Team

b) CIC Special Projects with CIC One Card

c) Invite MIT Card Office to Play

d) Possible MIT Media Lab Academic Project as Lecturer 2012/Fall Semester?

e) Consider inviting the MBTA as independent stakeholders?

2. Include:

a) Overview of the CIVICS.com Resources (old RFID card project, etc)

b) Sign-Up List to Get Notices

>>> To Do: Look into Constant Contact, etc, for this purpose)

c) Publicize Events (e.g. upcoming end of July event)

d) PRIVATE AREAS, with UMA plugin for client work (possibly leading to more secure site for some items)

e) HERE IS WHERE THE “CIVICS.COM ALL-STARS” can fit in:

> Sal D

> Ray C

> Others?

f) Links to Other Relevant Works and Good Posts About Them (Cross-Posted to WonkLog, Etc)

g) Calendar of Events!

** >> To Do: Look at other project sites to see what else would be good to have.

3. Create a Template for Future Project Sites from This.
