

Innovating Human Services in Virginia

VIRGINIA HEALTH AND HUMAN RESOURCES

ENHANCED MEMORANDUM OF UNDERSTANDING (E-MOU)

HITSAC UPDATE

October 16, 2014

Office of the Secretary of Health
& Human Resources

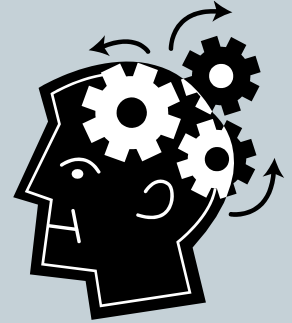

Commonwealth of Virginia

www.ehhr.virginia.gov

Synergy

HITSAC develops standards for CoV IT

CC supports/polices/builds adoptions of policies
that HITSAC promulgates

CC suggests new standards that might be needed

Update

- CC convened August 28 – elected officers
- Subsequent meeting in Sept.
- Set calendar with regular, recurring meetings
- Shared service BRI
- CSA – DSS data sharing

CC/HITSAC Relationship Going Forward

- HITSAC representative attends CC meetings
- Advise CC on HITSAC efforts

- CC leadership will attend HITSAC
- Brief HITSAC when necessary
- Lead support to the creation of standards

E. Physical Designation of the Service

WHERE CAN THE PHYSICAL DESCRIPTION
BE FOUND ?

Define where in the SOA catalog this service can be found or
other archive location

DOES THIS DATA SERVICE ALIGN WITH A
CURRENT VITA DATA GOVERNANCE
APPROVED INTERFACE ?

Define which standard it is aligned with or define why the
service is now aligned; also cite which HITSAC Standard
applies.

WHAT FORMAT IS THE PHYSICAL
INTERFACE DEFINED WITH ?

Define MQ, WSDL, other based by selecting one option.

- ☒ MQ
☐ WSDL
☐ OTHER

If OTHER is selected, please describe below.

LOGGING REQUIREMENTS

Does the data service enforce special logging requirements?
IRS, SSA, COV, etc.

ARCHIVING REQUIREMENTS

Does the data service enforce additional transaction
archiving requirements?

F. Security Requirements

On the Horizon

- Potential CSA - DMAS data sharing to monitor duplicative payments?
- VDH interest?
- Data used as early indicators of MH needs?

Questions?
